- 28 August 2023 (Monday): Call for Contributions to September Report
- 15 September 2023 (Friday): Deadline for September Contributions
- 20 September 2023 (Wednesday): September Report Released

Note: The September report will be an abbreviated report to include summary figures, PDFs of contributed outlooks, and very limited discussion.

BRIEF POST-SEASON REPORT

- Focus will be on the performance of Outlooks as compared to sea-ice minimum.
- Additional discussion and analysis of factors driving sea-ice extent during the 2023 melt season
- Developed following the conclusion of the retreat season.
